1. 1115 Transformation Waiver Update:

Directed Payment Program - Behavioral Health Services (DPP-BHS)

This program operates on the state fiscal year but the quality measures we report follow the calendar year. The DPP-BHS program includes two components:

- Component 1 (B1-Dollar Increase) is a uniform dollar increase issued in monthly payments to entities
 participating in the program. As a condition of participation, providers will report on progress made toward
 certification or maintenance of CCBHC status. Enrolled providers are also required to report on the
 implementation status of activities foundational to quality improvement, such as telehealth services,
 collaborative care, integration of physical and behavioral health, and improved data exchange.
- Component 2 (B2-Rate Enhancement) is a uniform percent increase on certain CCBHC services. As a condition of participation, providers are required to report on metrics that align with CCBHC measures and goals. Providers that have CCBHC certification are eligible for a higher rate enhancement.

Payments are from services provided only to Medicaid Managed Care clients that we serve in the STAR, STAR+PLUS or STAR Kids programs.

DPP Update for August Board Meeting:

HHSC's was notified that CMS has approved the DPP-BHS program plan for FY25 Changes in DPP-BHS for FY25 include:

- · Centers must maintain CCBHC certification to receive DPPBHS funds
- Component 2 (uniform percentage increase) will discontinue and all DPPBHS funds will be distributed via Component 1 (uniform dollar increase)
- The 20 service codes for the program will change slightly.

The Public Health Provider - Charity Care Pool (PHP-CCP)

This program provides uncompensated care reimbursement to help cover our costs for services to uninsured and indigent clients. It follows the federal fiscal year calendar of October 1 through September 30.

CCP Update for May Board Meeting:

Training of Center staff for the FY 25 cost report occurred this month. The cost report template was also received.

2. Texas Council Update

The quarterly Texas Council Board and Executive Director meeting was held August 22 thru 24th. A major portion of the meeting dealt with identifying legislative priorities for the upcoming January session.

3. HHSC Performance Contracts/Grants and Local Initiatives.

HHSC:

We received our LIDDA contract amendment and also submitted our ECI grant and budget for next year.

North Texas Behavioral Health Authority (NTBHA):
